

Author bibliography

- Name** : Thanaruk Theeramunkong
- Research Fields** : - Natural Language Processing, Artificial Intelligence,
- Data Mining, Text Mining, Text Summarization,
- Information Retrieval, Information Extraction
- Educational Background** : - D.Eng. in Computer Science, Tokyo Institute of Technology
- M.Eng. in Computer Science, Tokyo Institute of Technology
- B.Eng. in Electric & Electronics, Tokyo Institute of Technology
- Work Experiences** : - Sirindhorn International Institute of Technology (1999-present)
- ICTES Program Director, ICT for Embedded System, TAIST Tokyo Tech, NSTDA (2007-present)
- Joint Researcher at NECTEC (2000-2001)
- MIS, C.P. Seven-Eleven, Co. Ltd. (1998)
- Research Associates at JAIST (1995-1998)
- Joint Researcher in an IFS project (parallel Parser) (1994-1998)
- Awards** : - The Very Good Research Award 2008-2010 in Engineering Field, Thammasat University
- A Best Paper Award from the Japanese Society for Artificial Intelligence (1994)
- Scholarship from Tokyo Marine (1992-1995)
- Scholarship of Japanese Ministry of Education (1985-1991)
- Books** : - Training your brain for calculation (Sansu Ga Dekiru Atama Ni Naru Training Print), Thanaruk Theeramunkong (Editor in Chief and Author), Technology Promotion Association (Thailand-Japan), ISBN: 978-974-443-436-4, 131 p. (in Thai), 2011.
- *Mathematics Quiz*, Thanaruk Theeramunkong (Editor in Chief and Author), Technology Promotion Association (Thailand-Japan), ISBN: 978-974-443-280-3, 152 p. (in Thai), 2007.
- *Embedded Technology*, Thanaruk Theeramunkong (Editor in Chief and Author), Technology Promotion Association (Thailand-Japan), ISBN: 9744431784, 312 p. (in Thai), 2005.
- *Towards Leaders of ERP Introduction*, Chapter 2, Technology Promotion Association (Thailand-Japan), ISBN: 974-9569-36-9, 200 p., (in Thai), 2003.
- *Ubiquitous Society – A keyword to IT in the future*, Chapter 7, Technology Promotion Association (Thailand-Japan), ISBN: 974-8329-85-2, 243 p., (in Thai), 2002.
